Belvidere Central Middle School Students “TRREK” Into the 2010 New Year

When walking through the halls at Belvidere Central Middle School, one can't help but notice students making positive choices. They continue to walk on the appropriate side of the hallway, use inside voices, and use the right doors when entering and exiting hallways. What a positive difference it has made.

Classrooms participated in the last of the lessons covering the PBIS matrix. It was on inside/outside/bus safety. After the lesson, teachers and students compiled suggestions on bus safety ideas and how kids can stay active inside/outside. Anytime students participate in the creation of ideas for school, they tend to believe in them and follow them more often. It was good to see all of their ideas. Some of their ideas are included here:

Inside Safety at Lunch

- ~Talk to friends
- ~Do homework, read, or draw
- ~Have games to play like board games or cards

Outside Safety

- ~Walk around and talk with friends
- ~Play a game
- ~Enter the building carefully, not running or pushing

Bus Safety

- ~Assist bus drivers by following rules
- ~Notify bus drivers of any issues that come up

Nice job, BCMS students! Keep up the great work in 2010! Happy New Year to all of our BCMS families! May it be all that you hope and wish for!

Tattling VS Reporting

Many times children think that telling an adult about a problem with another student is called **tattling**. Have a discussion with your children about how it is NOT tattling but a method of defending oneself. Encourage your children to **report** to an adult any difficult issues that they may be having with another student.

We are on “TRREK” for positive behavior
